

The Great Scoutdoors Challenge

This is a group/troop event. Each group is a team. A team must have a minimum of 4 girl members, but there is no maximum number. Groups are NOT REGISTERING individual teams. Groups are registering their group.

During the event, 4 girls from each group will compete in each activity. If a group has only 4 girls registered, those 4 girls will compete in every activity. If a group has 13 girl members, 4 girls will compete in an activity and the remaining 9 girls will be the cheering section for the 4 competitors.

Troops must follow Girl Scout adult leadership requirements.

SPECIAL REGISTRATION PROCESS:

Registration for this event is by TROOP. In the online system, one adult leader from the troop is designated the TEAM LEADER. The TEAM name is the troop number (ie. Troop #888).

To register, the TEAM LEADER goes online, registers herself (and her own daughters) and creates the TEAM's account. When setting up the TEAM Account, the TEAM LEADER will create a password for the account.

The TEAM LEADER shares the TEAM'S password with the parents. Each parent must use the TEAM's name (Troop #) and the password to access the TEAM's account to registers his/her own daughter(s).

Call the Camp Registrar with questions 559-320-5439.
